

In the beginning God created and it was very good. Then sin entered the world through our decision, and human history has not been the same since.

In our series, Back to Eden, we invite you to remember that God delights in you – just as you are – and God delights in you so much, that He has invited you to become a new creation. Jesus has come to make things good again. In this series we invite you “Back to Eden” to remember what was, so that you can see what is, and imagine what will be.
