# JUNE NEWSLETTER

## BOARD UPDATE

On June 9, the board met for its regularly scheduled meeting. We had a light agenda this month. We continue to review the principles of Policy Governance and this month we reviewed a video entitled, The Role of the Board – Spears Up Spears Out. Below is the link for this month's education segment.

Each month the board spends some time reviewing one of the five Ends that we have as a church. As a reminder, the five ends include: Worship; Discipleship; Missional Engagement; Multiplication; and Healthy Culture. This month we reviewed the End of Missional Engagement which reads: "Centerpoint will invest at least 10% of our budget, joining God in helping people in our region to actively engage in local, regional, and global missions where we live, work, and play both here and beyond." At our annual celebration event, we were able to feature one of the global missions that Centerpoint supports. We support various other local, regional and global missions through Centerpoint, which we will continue to highlight in a future newsletter.

June 1, we held our annual celebration event. This was a combined event where both campuses met in Sioux Center, and we ordained and installed our new elder(s) as well as celebrated the life of Centerpoint over the past year. A meal was provided following the service. We want to thank everyone who attended and especially thank all those who volunteered in some way to make this a very fun and successful event.

## FINANCIAL UPDATE

We are currently **19%** behind in giving.

# CELEBRATION

On June 1, both campuses joined together at Sioux Center to review the past year. With the ordination and installation of new (Jill Zwart) and continuing (Jack Woelber) members of the Board, it was a great day of worship and celebration!

# MISSIONS UPDATE: CAMBODIA

During the Annual Celebration, we highlighted one of our missions partner groups.

We partner with YWAM (Youth With a Mission) in Battambang, Cambodia. Battambang is located in the “heartland” of Cambodia. It’s in the center of the massive rice producing area. It’s the second largest city in Cambodia about 6 hours from the capital city.

YWAM’ers started the Battambang base in 2005 with a Youth Development Center (YDC) that focused on teaching English to young people. Today they have three main areas of focus: training, mercy ministries and church planting.

The people we support represent each of the three areas. We support 22 full time missionaries that serve in Cambodia (there are more than 100 full time missionaries on staff there). We are just a part of their support team.

We have taken a short term missions team to visit Battambang two times in our history (2019 & 2020). Our hope is to support the full time workers in their mission. To encourage them in their work, relationships, parenting, and their relationship with Jesus. Those who serve in YWAM don’t make a salary, they raise all of their funds for their living and working expenses.

Pastor Cy has had a relationship with the YWAM staff in Battambang since 2010. Our hope as a church is to invest in long term relationships with missions that have the same vision to Make Christ Known. The team in Battambang is certainly doing that.

# FAMILY MOVIE NIGHT & MORE!

Our Family Movie Night, featuring The Emperor's New Groove was a whole vibe; and the new screen at our Hawarden campus did not disappoint. Llamas, sombreros, and llamas wearing sombreros; with nachos, candy, popcorn, and a photo booth made a fun night for everyone!

And we have even more fun things planned, including Escape Rooms at the Sioux Center campus. Open from June 16 - July 11, these rooms will be available Monday - Thursdays 8am-8pm; and Sunday 1pm-8pm. Register online to reserve a room for your family, friends , or lifegroup.

Be sure to visit [wearecenterpoint.com/summernights](https://wearecenterpoint.com/summernights) for Escape Room registration and to check out the other events coming up this summer.

# SUMMER SERIES CONTINUES

Hall of Faith has been a great series so far, and we're continuing the study with a few new individuals who have been noted in Hebrews 11 as having great faith or trust in God. How has this topic impacted you? Do you find it hard to trust God? Or do you think because you're not perfect, you're not a person of faith? Time and time again, we see in the Bible, that God takes ordinary, imperfect people, who simply say "yes" to Him to write an incredible story. We believe YOU are a part of His story when you give your "yes"!

Be sure to join us at Sioux Center and Hawarden, Sundays at 9:30am for worship. And something to note - the study guide for this series is in two parts and available for pick up at Next Steps.
