## IMMEASURABLY MORE: RESTORING THE ROOF

God has given us facilities to steward for our ministry. Our Sioux Center Campus is in need of a new roof in order to continue to serve our community and the people God sends our way. In 2026, funds from the Immeasurably More campaign are focused on fixing the flat sections of the roof that were severely damaged in the derecho in July of 2025.

During the nicer weather in the past few weeks, work has begun on replacing sections of the flat roof at the Sioux Center campus. The section of the roof directly above the central services office is almost finished, and workers have started replacing the section of flat roof above the education wing.

Our old roof has served us well for around 30 years, but we are grateful to have the opportunity to replace what has become damaged over time in order to keep the Sioux Center campus fresh, clean, and safe. Below is a picture of the new section of roofing over the central services office in contrast with the areas that are yet to be replaced. Thank you so much for the generosity you have shown in the Immeasurably More campaign that makes this kind of restoration possible.

As we see this tangible example of restoration, we invite you to join us in praying for restoration in our lives, our communities, and our world with the Immeasurably More Prayer Guide for 2026. This guide is available at Next Steps and [online](#).

# FINANCIAL UPDATE

## CELEBRATIONS

Please join us in welcoming the Jager family as new members of our church. We are thankful to have them as part of our church family and look forward to the ways God will work in and through them.

# BOARD UPDATE

On January 12, the board met for its regularly scheduled meeting. We opened with a devotion and split into groups for prayer. We continue to review the principles of Policy Governance, and this month we reviewed principle 6; Define and Delegate. [Click here to watch the video.](#)

Each month the board spends time reviewing one of the five ends that we have as a church. As a reminder, the five ends include: Worship; Discipleship; Missional Engagement; Multiplication; and Healthy Culture. This month we reviewed the end of Healthy Culture which reads: *Centerpoint Church will invest our personal comfort, vulnerability, courage, time and authenticity in order to grow in spiritual maturity and the Fruits of the Spirit. As a result, the spiritual culture within our communities will become more healthy.*

As a reminder, Covenant Partner agreement forms are available for signature for the 2026 calendar year. Members can sign a Covenant Partner agreement anytime but will be asked to renew their covenant annually at the beginning of each year. Covenant Partners are those who are baptized, have professed their faith in Jesus as their Lord and Savior, and choose to sign the Covenant Partner Agreement. They covenant with the church to be engaged and take on a higher level of responsibility. Specifically, Covenant Partners may be asked to serve on the Board of Elders and will be invited to vote to affirm nominees to serve on the Board of Elders. They will also provide vital communication to the board through the Ownership Linkage events such as Covenant Partner meetings. As needs arise, the board will look to Covenant Partners for feedback as they lead the congregation into the future. If you are engaged in the life of Centerpoint but are not yet a Covenant Partner and are interested, please reach out to the church office or use this [link](#) to sign the agreement online.

On Sunday morning, January 18 there will be a Covenant Partner meeting at both campuses. The meeting in Sioux Center will begin at 8:00 am, and the meeting in Hawarden will begin at 10:45 am. Childcare will be provided at both locations during the meeting. We anticipate sharing some of the results of the Church Pulse Survey as well as some information regarding the Immeasurably More capital campaign.

Again, we want to say a BIG thank you to everyone who pledged to the Immeasurably More campaign that was rolled out this past month. The board is overwhelmed with the generosity of those that have made a commitment to the future of Centerpoint's needs and vision. THANK YOU! We will share more information regarding the capital campaign status later in January after we have received most of the pledges.

# UPCOMING SALT EVENTS

Seniors are invited to join us for our next SALT event scheduled for the afternoon of Wednesday, February 11 at the Sioux Center campus. Our guest speaker will be Dan Breen from the Luke Society, an international ministry of gospel outreach and medical care headquartered in Sioux Falls. Dan will be sharing stories of his world-wide travels, during which he has witnessed multiple examples of faith-based health care being carried on by dedicated Christian medical professionals. This event will also include a time of worship and other fun activities.

# LOOKING AHEAD

## SOUP & PIE FUNDRAISER

Mark your calendars! On **January 21** at 5:15 PM, come enjoy a Soup and Pie Fundraiser—served with a smile by our amazing Sioux Center middle school students! Our Soup and Pie Fundraiser funds will be used for future Power Connection and serve trips.

## CONNECT EVENT

Join us at our Hawarden Campus on **February 11** at 6:30pm for an epic Movie Night featuring Megamind! Bring your family and friends, enjoy some popcorn, and settle in for a hilarious story about a supervillain who might just surprise you. It's free, it's fun, and it's for everyone—don't miss out!
