

NOVEMBER NEWSLETTER

IMMEASURABLY MORE

On November 23, we will have a Commitment Sunday that will begin our three-year capital campaign, Immeasurably More. Over the course of these three years, we will focus on raising funds for three different ways that God is working in and through Centerpoint Church. **Please continue to prayerfully consider how God is asking you to partner with us in this mission to restore, reach out, and raise up.**

RESTORE (2026)

God has given us facilities to steward for our ministry. Our Sioux Center campus is in need of a new roof in order to continue to serve our community and the people God sends our way. In 2026, the Immeasurably More campaign will be focused on fixing the flat sections of the roof that were severely damaged in the derecho on July 28, 2025. We understand roofs aren't exciting, but they are necessary.

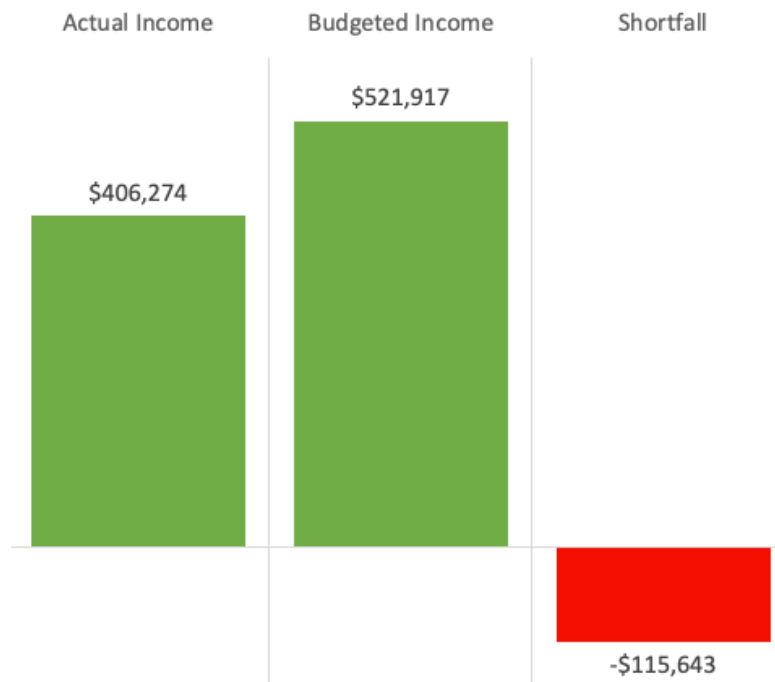

REACH OUT (2027)

In 2027, we get to celebrate our church's 150th year of ministry. Over the years, mission has been a consistent focus. When our church was planted, it was located on the edge of the settled country. At the time it was practically "the ends of the earth." We want to celebrate 150 years of supporting missions by giving significant gifts to some of our mission partners who are taking the Gospel to the ends of the earth. Additionally, we will be planning short term mission trips to some of our partner locations to engage relationally as well as financially.

RAISE UP (2028)

In 2028, we are excited to emphasize our desire to be a multiplying church. For years, we have been working to raise up leaders and support the multiplication of ministry in our region. In 2028, we are going to invest significantly in seeing multiplication happen in our midst. This may mean having a residency program to train up the next campus pastor, planting a new campus, or partnering with network churches to plant a new church. We are open to how the Spirit wants to use our investment and we are committed to getting off the sidelines to continue our legacy of investing in future generations.

CENTERPOINT STUDENTS RECAP

This fall has been full of opportunities for our students to learn and serve. We were able to do this across multiple ministry areas!

Tailgate Fundraiser: Thank you for your incredible generosity at both campuses! Your support not only eases the financial burden for families but also is an investment in our students' journey and relationship with Christ! We are deeply grateful for your financial generosity but also your prayers and involvement with our students!

Seek Retreat: This retreat was a meaningful time of fellowship and reflection. We explored what it means to live on mission, share our faith, and embrace the power of our testimony in witnessing to those around us. We left the retreat encouraged and equipped to be sent people - living intentionally for God and carrying His light and love into everyday life.

Our **Sioux Center High School** students spent their month collecting blankets and distributing them during the Winter Warm-Up initiative, spreading warmth and kindness throughout the community.

Our **Sioux Center Middle School** students spent one evening raking leaves for members in our church - after dark! The laughter and teamwork made it a memorable and meaningful experience.

Our **Hawarden** students gathered for a cozy evening of pancakes and games, building friendships and enjoying fellowship.

BOARD UPDATE

On November 10, the board met for its regularly scheduled meeting. We opened with a devotion and split into groups for prayer. We continue to review the principles of Policy Governance, and this month, we reviewed principle 4; Policy Decisions Reflect the Vision.

Each month, the board spends time reviewing one of the five ends that we have as a church. As a reminder, the five ends include: Worship, Discipleship, Missional Engagement, Multiplication, and Healthy Culture. This month we reviewed the end of Missional Engagement which reads: *Centerpoint will invest at least 10% of our budget, joining God in helping people in our region to actively engage in local, regional, and global missions where we live, work, and play both here and beyond.* The board discussed this end, and they feel that it is worthy of continued focus. As we move forward with our capital campaign, the congregation will hear more about this end.

Centerpoint Church is a member of the Alliance of Reformed Churches (The Alliance). Within the Alliance, there are groups of churches with common goals and a common vision for growing the Kingdom that partner together to make up networks. The churches within a network can be geographically close to each other, but that is not a requirement. The Alliance currently has eight networks. Centerpoint is a member of the Horizon Network which also includes New Life and Central in Sioux Center, First Reformed in Hull, Faith Reformed in Rock Valley, and Hope Church in Spencer Iowa. The leadership groups from Horizon Network churches met on October 26 at New Life in Sioux Center for updates regarding The Alliance and the Horizon Network. In addition, time was spent getting to know leaders from the other churches and hearing about what God has been doing in the local congregations.

Our annual financial audit was completed on October 23, reviewing the books for the 2025 fiscal year (July 1, 2024 – June 30, 2025). The board reviewed the audit report and is happy to state that everything was found to be well organized and in good order with no discrepancies.

Time was spent discussing the roll out of our capital campaign and the positive responses we have received so far. We ask that you prayerfully consider your response as we look forward to commitment Sunday on November 23.

The board followed up this month on the survey taken by the church in October. We spent time looking at areas where we have strengths, areas we can improve, and areas we want to focus on. We appreciate the baseline that these results provide for any future surveys.

CENTERPOINT KIDS CHRISTMAS PROGRAM

The weeks leading up to Christmas can be a time to enjoy the vibrancy of anticipation knowing that something worth waiting for is coming.

God had promised a King. The prophets had foretold His story. In the 4YO-5th Grade Christmas program “Waiting for Jesus” on **December 14 at 3:00pm in both campuses**, we will have the opportunity to read the words of the prophet Isaiah as he tells of the coming King. We will also explore the nativity story, ask questions about Jesus’ birthday, and celebrate the coming of Immanuel—God with us.

At our Christmas program, we will invite friends and family into the long-expected nature of the Messiah’s birth and also His second advent. He has come. He is coming! Let us rejoice in who He is and all that He is to us—now and forever.

Faith is being sure of what we hope for. It is being certain of what we do not see.

- Hebrews 11:1
