

TUG^{OF} WAR

aligning with mercy

As people who desire to know, love, and serve God we long to hear from the Lord and to do the things we are called to do.

However, human beings often find themselves in a struggle with the Lord, toggling between what God wants and what we want. We will see how this game of Tug of War plays itself out in the life of the prophet Jonah and will come to understand what it means to align with mercy.
