

Have you ever found yourself thinking, is this it? Is this all life is supposed to be about: work, bills, school, sports, houses, cars...? You are right to wonder. There is much more to our lives than what we tend to settle for. More purpose, more impact, and more grace. Join us in this series as we learn how we are Made for More: more in our *identity* in Christ, more through *intimacy* with Him, and more by living with eternal *impact*.
