

Elisha: Portrait of a Prophet follows the life and ministry of Elisha, a prophet called by God to continue Elijah's work. Through four Old Testament stories, we will see the God who calls ordinary people into costly obedience, provides for desperate need, meets us in grief with resurrection hope, and opens our eyes to His presence and mercy. Elisha's life reminds us that God's work is never wasted, God's provision is never too small, God's compassion reaches our deepest sorrow, and God's power forms people who trust, follow, and make Him known.
